COVID GUIDELINES

Whilst there are no mandatory Government guidelines for events and COVID, it is still important to mitigate risk. Please therefore see below the safety precautions that we are advise when attending WIT SiD Origins 2021.

1. Whilst not obligatory, we encourage all attendees to take a lateral flow test prior to arrival on site, as well as a self assessment for any of the recognised symptoms of COVID-19. Should you return a positive test or be displaying any symptoms you must not attend the event.
2. We strongly encourage all attendees when transitioning between internal venues with smaller corridors etc to wear face coverings.
3. Please stay on top of washing your hands in the washrooms. Hand sanitizer will also be available at the entrance of each venue.
4. Athletes: In between heats, we will spray down the equipment with a Dettol spray. For piece of mind if you would like to bring your own cleaning products this is also welcomed.

COMPETITION OVERVIEW

There are two divisions competing concurrently across the WIT SiD Origins weekend. 8 Invitational teams as well as 71 Qualified teams. Both divisions will compete on a separate leaderboard.

THE VENUE

Onsite there will be two competition arenas, the WIT arena and the NOCCO arena. The WIT arena will be standing viewing only. The NOCCO arena will be a mixture of seating and standing viewing, seats are not allocated and will work on a first come first served basis for the arena.

Food both hot and cold options will be available from Bombers Sandwich House, providing salads and wraps alongside a hot warming option. They will be in the Vendor Village alongside Handlebar Barista who will be providing tea and coffee throughout the weekend. On campus there is also extra catering options.

VENUE ZONES

The Venue will be divided into three zones: Field of Play (FoP), Front of House, and Back of House.

The FoP is where the Sport takes place and only athletes, judges, accredited media, logistics, and the Director of Sport are allowed onto the FoP. The FoP is demarcated by pedestrian barriers and is located inside the main arenas.

Note we also define the Warm-up Area, Athlete Area and the Cool Down Area as FoP and are therefore not open to spectators.

The Front of House is accessible to everyone and is where most of the venue overlay is located (see Section 2.4 below). The Front of House area is everywhere except the FoP and the Back of House areas.

VENDORS

Onsite we will have a vast village that will fill any down time that you have! You can check out the sponsors and vendors that we will have onsite on our partners page here:
