# THE VENUE

---

Onsite there will be two competition arenas, Arena 1 and Arena 2. Arena 1 will be a mixture of seating and standing viewing, seats are not allocated and will work on a first come first served basis. Arena 2 will be standing viewing only.

Food both hot and cold options will be available from Bombers Sandwich House, providing salads and wraps alongside a hot warming option. They will be in the Vendor Village alongside Handlebar Barista who will be providing tea and coffee throughout the weekend. On campus there are also further catering options.

# VENUE ZONES

---

The Venue will be divided into three zones: Field of Play (FoP), Front of House, and Back of House.

The FoP is where the Sport takes place and only athletes, judges, accredited media, logistics, and the Director of Sport are allowed onto the FoP.

The FoP is demarcated by pedestrian barriers and is located inside the main arenas.

**Note we also define the Warm-up Area, Athlete Area and the Cool Down Area as FoP and are therefore not open to spectators.**

The Front of House is accessible to everyone and is where most of the venue overlay is located. The Front of House area is everywhere except the FoP and the Back of House areas.

The Back of House is only accessible to the Workforce, and this is where the majority of the Event's administrative functions are located. It is situated in the Event Control and Social Media Hub spaces next to the FoP.
